Communicate the Impact of Medicaid

Medicaid is an essential part of American health care and the nation's health care safety net. This new data further demonstrates Medicaid's essential role, especially as we work together to overcome the COVID-19 crisis. We are proud to support the Alliance as it continues to lead important conversations about the importance of Medicaid for all Americans.

– **Matt Eyles**, President & CEO of America's Health Insurance Plans (AHIP), a founding member of the Modern Medicaid Alliance
